This year we had many great things happen at Normandie Ridge! Two significant accomplishments were the completion of the renovation of the Patriot Café and obtaining our Home Health License, to continue to provide quality services to our residents at all levels of care.

We hope you enjoy your time with us today. Embrace your family and friends during this event in which we can all celebrate and contribute to those who need our help within our campus.

Of course, the support of the Normandie Ridge Auxiliary is vital to our ability to provide exceptional care and service to our residents. All of the funds raised by the Auxiliary are used to benefit Normandie Ridge residents at every level of care. We are grateful that Auxiliary members donate their time and talents to support Normandie Ridge in so many tangible ways. The Auxiliary also provides support for the Benevolent Care Fund, which enables us to care for residents who face financial hardships.

On behalf of the staff and residents of Normandie Ridge, thank you for your continued support!

Welcome from the Auxiliary President

Welcome to all attending the Normandie Ridge Auxiliary 27th Annual Anniversary Celebration!

Thank you for supporting the Auxiliary and Normandie Ridge Senior Living Community. We are pleased to offer this community event each year, and its success is attributed to so many: our Auxiliary members, those who have served on the Auxiliary’s Executive Board, the staff of Albright Care Services and Normandie Ridge, the residents of the Normandie Ridge Community, and the larger community including the United Methodist Churches who continue to support our mission. Special thanks to my own church, Messiah United Methodist, which gave a special gift of $2,500 this year to help the Auxiliary continue its work.

The Auxiliary is pleased to offer support to the residents by supplying needed equipment and services. Additionally, we are pleased to contribute to the Normandie Ridge Benevolent Fund that provides financial assistance to residents who need it.

I’ve been president of the Auxiliary for nearly six years and appreciate the commitment it takes to support a facility like Normandie Ridge Senior Living Community. So many people associated with and living at Normandie Ridge have become my friends and special to me. Thank you for your support. I’ve always considered our Auxiliary efforts a mission and ministry for Christ, and serving as president has been one of the best ways I could have spent my time.

We who live at Normandie Ridge are very happy to be here. There is always an adjustment period when such a big change is made. We are so lucky to be living in a community such as this one.

Normandie Ridge has so much to offer its residents. Twice a month we have Friendship Hour, bingo, and game night which affords us the opportunity to socialize with other campus residents. The Normandie Ridge Association meets once a month and that same week, on Friday, we have dinner followed by entertainment.

The newly renovated Patriot Café opened on April 1st and offers us not only delicious food but good company. Our Café and Dining Room are also open to the public.

We are grateful to have the Normandie Ridge Auxiliary, which works to support our community. The Auxiliary raises money to provide equipment and programs to improve the lives of all our campus residents and also donates to the Benevolent Care Fund.

I would like to thank the residents and many community friends who belong to the Auxiliary. I urge you to become a member if you haven’t already joined. Your support is very important.

This is my first year as President of the Independent Residents’ Association. It has been a wonderful learning experience. I look forward to the next year!
Sincerely,

Fran Mount

Congratulations for 27 Years of Service to the Community!
Nestled on 40 beautiful landscaped acres off the beaten path in West Manchester Township, Normandie Ridge offers the best of both worlds: the quietness of the country and close proximity to shopping, restaurants and cultural activities. As a continuing care retirement community, Normandie Ridge is equipped to provide you with the services you need, when you need them.

Normandie Ridge offers seniors various unique independent living options on campus. Manchester Court Apartments, Alcove Apartments and the Garden Cottages have beautifully landscaped grounds located in a tranquil setting. We offer all of the amenities today’s active seniors look for to stay healthy, relax, and enjoy comfortable living without worry. There are 65 Garden Cottages ranging from 710 to 1,600 square feet of comfortable living space in a variety of floor plans. Manchester Court is a four-story apartment complex with 88 apartments ranging in size from 615 to 2000 square feet. All apartments are fully equipped to meet the needs of retirement living. Enhanced services, as well as home health services, are available to allow individuals to live as independently as possible in their apartment or cottage for as long as they are able.
Manchester Commons serves as a common area for all of our residents, providing amenities such as the Congressional Room Restaurant, The Patriot Café, an in-house branch of People’s Bank, swimming pool, fitness center, multipurpose room, living room, library, wellness clinic, woodshop, beauty salon, recreation programs, and classroom space.

Fifty-two new and modern apartments are slated to be built in the near future. These apartments, called Manchester West, will feature airy, open floor plans with natural light, and luxurious interior finishes, all offered in a sleek, stylish, and thoughtful design. Amenities such as a movie theater and expanded fitness center are also part of the plan.

Personal Care is a living option for residents who need assistance with their physical care but who can otherwise live independently. A combination of security, comfort and professional attention is given through the three levels of Personal Care available. Support plans are developed by staff to provide services appropriate to the needs of each individual. Our Personal Care Center offers private and semi-private rooms. Residents enjoy their meals in The Grove located in the Personal Care Center and they may occasionally choose to dine in the Patriot Café or Congressional Room Restaurant. Many activities are held in the dining area. Residents have full use of the easily accessible laundry area, or can request staff to do their laundry. Residents may bring their own furnishings and pay a daily fee for room, board and services.

The Memory Care Residence is the most recent addition in the continuum of care at Normandie Ridge. Offering 14 private and two semi-private rooms, this 11,000 square foot Personal Care residence provides a safe and secure home in a serene environment. Each day, meaningful engagement opportunities are provided. They are designed to emphasize success and positive outcomes for residents living with Alzheimer’s and related dementias.

The Normandie Ridge Nursing Care Center provides its residents with 24-hour care. Our nursing staff includes Registered Nurses, Licensed Practical Nurses, Certified Nursing Assistants and Neighborhood Coordinators. Social Services staff help to meet the psychological and social needs of our residents, and our Chaplain provides spiritual care and support. Neighborhood Coordinators organize daily activities that include musical entertainment, lectures, discussions, sing-a-longs, parties, coffee fellowships, craft making, cooking, and exercise programs.

Short-term rehabilitation services are also available in the Nursing Care Center. We specialize in treating the unique needs of individuals preparing to return home after surgery, debilitating illness, recent injury or extended hospital stay. We offer a setting that allows patients to recuperate and receive the services they need in a friendly, neighborhood environment.

Normandie Ridge is a ministry of Albright Care Services, a faith-based, non-profit corporation serving Pennsylvania’s entire Susquehanna Valley. Albright is affiliated with the Susquehanna Conference of The United Methodist Church. Normandie Ridge welcomes people of all faiths as well as those with no religious affiliation.

- The volunteer food servers on the food line and those serving the pies and baked goods
- All committee members for their creative ideas for planning the celebration and then implementing our plans

At a recent Normandie Ridge Auxiliary Board meeting, a plaque and certificate of recognition were presented to Board President, Renee Montag (pictured right) from Sue Jamison, Donor Relations and Community Outreach (pictured left) Albright Care Services, thanking them for their generous support as an Albright Care Services Business and Organization Partner in 2018. In addition to donating $5,000 to benevolent care, $9,300 was donated by the Auxiliary for the purchase of equipment and programs to enhance the lives of the residents at Normandie Ridge.
We enjoy the confidence and peace of mind that comes with knowing we have made a secure plan for our future. We stay connected and engaged with life.

Normandie Ridge Offers...

- Freedom from home ownership
- A continuum of care
- Opportunities for socialization and making new friends
- A safe, comfortable living environment
- Feeling of safety

We Chose Normandie Ridge Because...

- The friendliness of residents
- The attentiveness of staff
- The serenity and peacefulness

Chuck and Susan Martin
The Normandie Ridge Auxiliary was started in 1993 for the purpose of enhancing the comfort and enjoyment of the residents who live at Normandie Ridge. The organization is funded through membership dues, contributions and fundraisers, such as today’s Celebration.

To date, the Auxiliary has contributed over $166,838 for services and equipment that enhance the lives of the residents. Some of the funds have specifically been donated to provide benevolent care for residents who are no longer able to pay the full cost of their care.

Membership in the Auxiliary is open to all persons who are interested in the well-being of the residents. Currently the Auxiliary has more than 400 members. Dues are $5 per year. Members receive *Tidings*, the Auxiliary’s newsletter, which is published three times a year to inform members of the Auxiliary’s activities and projects. Members are also encouraged to attend the three general meetings which are held at Normandie Ridge on the second Monday of February, May and September.

If you are already a member, please consider renewing your membership today at the Celebration. Your continued support is greatly appreciated. If you are not a member, we hope you will consider joining the Auxiliary. *New members are always welcome!*
